## PROVINCE LAWS - 1724 - 1725

### CHAPTER 14

### AN ACT FOR DIVIDING THE TOWN OF DEDHAM, AND ERECTING A NEW TOWN THERE BY THE NAME OF WALPOLE

Preamble: Whereas the south part of the town of Dedham within the county of Suffolk, is competently filled with inhabitants, who labour under great difficulties by their remoteness from the place of public worship, &c., and have thereupon made their application to the said town of Dedham, and likewise addressed this court, that they may be set off a distinct and sep (a) (e) rate town, and be vested with all the powers and privileges of a town; and the inhabitants of Dedham having consented to their being set off accordingly and a committee of this court having viewed the said town of Dedham, and reported a proper divisional line between the two parts thereof,-

Be it therefore enacted by the Lieutenant-Governor, Council and representatives in General Court assembled and by the authority of the same,

South part of Dedham made a town called Walpole

(Sect. 1) That the southerly part of the said town of Dedham be and hereby is set off and constituted a sep (a) (e) rate township by the name of Walpole; the bounds of the said township to be as follows: viz., to begin at Dorchester line, where the line of Wrentham intersects it, and so to extend to Hawse's Brook, the said brook to be the bounds till it comes to Bubbling Brook, and on the same course with Bubbling Brook to Medfield Road, and so along the road till it comes to Medfield Line, and upon Medfield line until it meets with Wrentham line, and so upon Wrentham line till it comes to the first station; and that the inhabitants of the said lands as before described and bounded, be and hereby are vested with the powers, privileges and immunities that the inhabitants of any of the towns of this province by law are or ought to be vested with.

Provided,

Meeting House to be built. &c.

(Sect. 2) That the inhabitants of said town of Walpole do, within the space of eighteen months from the publication of this act, erect and finish a suitable house for the public worship of God, and, as soon as maybe, procure and settle a learned, orthodox minister of good conversation, and make provision for comfortable and honorable support; and likewise provide a school master to instruct their youth in writing and reading; and that thereupon they be discharged from any further payments for the maintenance of the ministry and school in the town of Dedham.

And be it further enacted by the authority of aforesaid,

Lands of non-residents to be taxed.

(Sect. 3) That the inhabitants of the said town of Walpole be and hereby are impowered to assess all the lands of non-residents, line within the said town, one penny per acre towards the charge of building the meeting house, and settling and maintaining a minister there.

## HISTORIC PATHWAYS

WALPOLE is now 254 years young-incorporated 1724.

The first Town Meeting was held December 28, 1724. The second, March 8, 1725 and the third, March 17, 1725.

The first Moderator was Ebenezer Fales.

The meeting also chose three Selectmen, a Constable and a Town Clerk.

Samuel Kingsbury was chosen the first Town Clerk of Walpole.

The meeting proceeded to choose for Selectmen Serg. Joshua Clapp, Serg, Ezra Morse to serve along with Moderator Samuel Kingsbury.

The first Chief Constable was John Hall.

This was the acorn of administration and government from which our health, thriving, modern Walpole moved steadfastly along the lantern-lit, muddy horse and buggy indian trails of plantatior days to the blinding, modern speedways of spaceless dimensions in a world atmosphere of terrifying new atomic horizons.

*"We must not in the course of public life expect immediate approbation and immediate grateful acknowledgement of our services. But let us persevere through abuse and even injury. The internal satisfaction of a good conscience is always present, and in time will do us justice in the minds of the people, even of those at present the most prejudiced against us."*
